

KITUWAH PRESERVATION & EDUCATION PROGRAM

Will be hosting a Master/Apprentice project

What is Master/Apprentice? A program in which, You the **Apprentice** will be paired with a fluent speaker the **Master** in order to gain a foundation in the Cherokee language.

This project is for enrolled members of the EBCI who are interested in learning the language and willing to spend their time with our Cherokee speakers and be dedicated to the project to see it through to the end.

Requirements for Project

- >There will be a two-day training requirement of all apprentices. Day 1 will include curriculum development and documentation of project. Day 2 will include meeting your Master and a pre-test in regard to language level of apprentice.
- >Monthly pot-luck dinner to socialize and discuss project and utilize skills learned within a group setting. Follow-up
- >Commit to 5 hours per week of working with your Master.
- >Have Fun and enjoy working with our elders

Training for Master/Apprentice – December 7th and 8th
All training and monthly meetings will be held at the New Kituwah Academy

Individuals who have participated in previous KPEP language projects successfully will be considered first and other interested participants will be considered second.
